PRESIDING ELDERS' REPORTS.

Keokuk District.

Dear Fathers and Brethren:—With profound gratitude to our Heavenly Father we bring to you the record of another year of work on the Keokuk District.

God has been gracious, giving strength enabling me to hold all the Quarterly Conferences except two, and rejoicing our heart in seeing about sixty souls converted at the quarterly meetings.

The year opened with each charge supplied with a pastor, who, by the kindness and mercy of God, continued in labors abundant till now.

The year has been characterized by a spiritual fervor culminating in gracious revivals in many of the charges. This spirit was so marked at our recent District Conference that a committee was created to plan an evangelistic campaign by the pastors during the month of October.

The total number of conversions and accessions to the church reported to me by twenty of the thirty pastors are, conversions 646, accessions, 607. The net increase in membership over last year in these twenty charges is 280.

The work for the children and youth has been faithfully performed. The conviction is growing upon both pastors and people that Jesus saved the race in childhood, that great care should be taken to keep the children within the pale of the church. Hence, classes for the instruction of the children as required by the Discipline are being organized more generally than before, and parents urged to present the little ones to the Lord in holy baptism.

The work in Sunday schools was never more hopeful. In this important branch of church work faithful men and women are devoting their best effort to the training of the youth in heart and life, for the mighty work to be done in the next generation. I fear, however, that the church at large is not awake to this mighty work, and alive to the opportunity now presented to hasten the coming of the Lord by saving the next generation in the children of the present.

The work for our young people in the Epworth League is in

the main, prosperous. The period of enthusiasm born of the newness of the movement, has given place to a more systematic work and study along lines marked out by our leaders, and as a result, our young people are being well grounded in the history, doctrines, and polity of Methodism. This is especially true of the work in the Junior League. But I fear that the spirit and life of the devotional meetings are suffering from a too close adherence to the published outline.

Our young people were very greatly disappointed by having the District League Convention postponed for the second time in two years on account of the over-flow of the Des Moines river, upon whose banks they had planned to meet.

Two profitable District Conferences were held during the year.

The work of woman as carried on through the various avenues of activity, is in a healthful condition, and is keeping pace with the advancing column. Very helpful conventions of the W. F. M. S. and the W. H. M. S. were held during the year at Milton and Bloomfield, respectively.

The recognition of the Ladies' Aid Society by the recent General Conference, has stimulated the work in this line, and it still holds a prominent place of usefulness in our charges, bringing gladness to those to whom the fiscal affairs are committed.

During the year the Graham Protestant Hospital, located at Keokuk, has been deeded in fee-simple, to the Woman's Home Missionary Society; and the adjoining property has been presented to the same society for a Deaconess home. The latter is the gift of Mrs. H. M. Comstock, the worthy daughter of Father Graham, for whom the hospital was named. These properties give us a most desirable plant, of one half of a city block in an ideal location. The internal management of the hospital has been under the control of our Deaconess Board, and has prospered from the beginning. It is now far too small to accomodate those wishing service there, and plans are being matured to enlarge its capacity. I take pleasure in commending it to your favor and patronage.

The material interests of the district are in a hopeful condition. Although the salaries of the pastors were advanced about \$2,000 last year, a further advance of near \$700 has been made this year. But this advance is not in keeping with that of the cost of living, as tabulated by the United States Labor Bureau, which shows that the cost of living in this country has advanced 40 per

cent. in the last fifteen years; 15 per cent. of which has been made in the last five years, while the salaries of our pastors have advanced but 15 per cent.

Church and parsonage improvement goes steadily on; four new parsonages have been occupied since our last Conference. This leaves but one charge without a parsonage. The church at Mt. Sterling, which was in process of erection at our last Conference, has been completed, and dedicated at a cost of over \$5,000, the entire cost having been provided for. The splendid church and parsonage, combined, in process of erection at Centerville, is progressing. The contract calls for its completion Dec. 1st. When this property is completed it will be one of the best in the state, and will cost over \$45,500. The church at Fairfield, having become too small for the growing Sunday school and congregation, is undergoing extensive enlargement, by fitting up the basement, 48x50 feet, and remodeling and re-arranging the interior at a cost of about \$3,500. When these improvements are completed, Fairfield will have one of the most convenient and commodious church buildings in the Conference. The cost of the improvements is provided for.

Extensive improvements have been made on the churches at Mystic, Milton, Numa, and other churches and parsonages, amounting, in the aggregate to \$3,790, adding greatly to their beauty and convenience. The church at Montrose has fallen heir to property valued at \$3,000, by the will of Sister Naevi, which will aid this struggling church. The church at Salina, which was struck by lightning, has been repaired.

The Iowa Wesleyan University lies close to the heart of Keokuk District Methodism. Many of her most choice sons and daughters have received their life training within her classic walls. Pastors and people are more than ever alive to her interests. The campaigning carried on by the President for the emergency fund, and later for students, met with a hearty response.

Our Conference agent for the Permanent Fund, for Conference Claimants, was a very welcome visitor to our charges, and the response to this most worthy cause liberal.

The connectional Benevolent causes have been carefully looked after by most of the pastors. A few delayed presenting their claims to so late a date, that I fear they will not be able to report all in full. A handsome advance is fully expected.

The consolidation of the English speaking churches in Keo-

kuk last fall by Bishop McDowell has proven to be wise. Although a spirit of opposition to the union sprang up after the adjournment of Conference, and has continued till the present, yet God has prospered the work. Scores of souls have been converted and added to the church, giving a net gain of 49, and all claims have been met in full, both ministerial and benevolent.

But owing to this persistent opposition, it was not deemed wise to push the enterprise of a new church building. But a committee elected by the Quarterly Conference to select a location, has been looking for an eligible site and getting prices preparatory to the erection of a central building, commensurate with the honor, growth, and usefulness of Methodism in the City of Keokuk. Adjourned Quarterly Conference Monday evening, September 4, voted 20 to 1 for one pastor.

A. V. KENDRICK, Presiding Elder.

Muscatine District.

With heartfelt gratitude to our heavenly Father for His many mercies and providential dealings with me during another conference year I herewith present my fourth annual report from the Muscatine District.

I am glad to be able to report that my general health has been excellent. I have been able to do full work, preaching from three to six times a week, holding all the quarterly conferences, attending to a large correspondence and other duties belonging to the regular work of a Presiding Elder, excepting during the month of May and a part of June. It became necessary for me to undergo a surgical operation; though it prevented me from attending to my work for a time it did not impair my general health. During the time of my absence in the hospital, Rev. R. L. Patterson rendered valuable assistance by holding a part of the quarterly meetings and the pastors in the district loyally and royally came to my assistance.

Bishop McDowell appointed pastors to all the charges in the district, except two, Blue Grass and Nichols. Blue Grass has been very acceptably supplied by our brother, C. F. Williams, and I was very fortunate in securing the services of brother E. A. Brinton for Nichols circuit. He has done excellent work. A

very urgent request is made for his return to the charge for the coming year.

Brother E. J. Pike was the only member of the conference who was returned to his charge for the seventh year. He was physically unable from the beginning of the year to do any work on his charge. His health rapidly declined until November 3rd, when he triumphantly entered into his heavenly home. It is useless for me to comment at this time upon the excellent qualities of this surpassingly excellent brother who was so well-known and so universally loved by all of us. His beautiful poetic nature will have unbounded room for the highest development where the constraining influences of this world's boundary lines will have no power to circumscribe his perpetual growth and unfolding powers. Brother J. G. Barton very kindly rendered excellent assistance on the charge at Williamsburg during the declining days of brother Pike and continued to serve the charge until January 1, 1905, when the very efficient services of Rev. E. L. Schreiner were secured for the balance of the year.

The pastors throughout the district have been very faithful and diligent in their labors, though the harvest of ingathering has not been as abundant as we all have wished for. The reports from the several charges show that 561 have been received on probation and about 400 hundred into full connection. More than 7000 pastoral visits have been made. The various departments of church activity have been carefully looked after. The Sunday schools are doing vigorous work, all provided with our own publications, we have a goodly number of very active and aggressive schools. The Washington Sunday school still leads the district in numbers under the very efficient management of the superintendent, S. W. Neal, having 1235 enrolled including the home department and cradle roll, 875 active members. Almost all of the charges have Epworth League Chapters in active operation. Prayer meetings and class meeting fairly well sustained, but giving large room for improvement. Woman's Home and Foreign Missionary Societies are manifesting a good deal of zeal and enthusiasm in a number of the charges. Each society held a district convention during the year. One at Letts, the other at Marengo. A splendid convention of the Epworth League was held at Lone Tree early in June. Two sessions of the District Conference were held marked by a very full attendance and intense interest upon the part of the members of

the district. The usual annual camp meeting was held on the Wilton camp ground.

The Ladies' Aid Society is organized on a number of charges and engaged in diligent and effective work.

A number of charges have been especially favored in their results in revival work. At Keota 27 united with the church, Ladora 18, Lone Tree 25, Marengo 75, Muscatine 1st, 81, Washington 99, Webster 25, Wellman 21, West Chester 26, and others in smaller numbers.

Especial attention has been given to systematizing the financial work of the charges with a number of gratifying results, and a healthy increase in the amount in salaries paid the pastors. A number of the charges are paying their pastors in full every month. The importance of the various benevolent enterprises of the church has been emphasized, and we are confidently expecting an increase all along the line. Increase in missions \$320.00.

We have constantly endeavored to promote the interest of the university, both in securing financial support and the attendance of students, and are only sorry that our efforts have not met with very much greater success. We rejoice over every triumph made by our university, and earnestly pray and work for its continued prosperity.

We are thoroughly interested in the success of the efforts being made in the interest of the permanent fund and are hoping that the report of its agent may show a goodly amount contributed by the people.

Our churches and parsonages are pretty generally in good repair. There will not be shown a large amount of money expended for this purpose, yet we have not been inactive and are glad to report progress. A new church at North Prairie on Sweetland circuit begun last year under the supervision of Brother J. R. Hanley was completed this year under the supervision of Brother F. E. Morrison and dedicated by Dr. Hancher with all debts provided for, at a cost of \$2465.00. Two of the charges have taken advance grounds by paying off debts leaving but very little indebtedness on the entire district. Brother G. W. Pool at Wilton has succeeded in freeing the church from debt to the amount of \$2100.00. Brother J. R. Hanley at Keota has raised \$602.00 and applied on the debt of the parsonage. A number of charges have built cement walks and made various other improvements as follows, North English \$455.00; Musca-

tine 1st Church, \$400.00; Keota \$257.00; Williamsburg \$200.00; West Chester \$176.00; Webster \$160.00; Riverside \$128.00; West Liberty \$80.00; Wellman \$150.00; Marengo \$75.00; Letts \$62.00; Oxford \$50.00; Blue Grass \$30.00; Koszta \$25.00; Sweetland \$17.00; Lone Tree \$15.00. Washington placed a new furnace in the church costing \$700.00, making a grand total for building, debts and improvements of \$7663.00.

There are yet a few places on the district very much in need of new church buildings, affording an opportunity for some enterprising pastors to give an exhibition of their skill in that kind of ministerial activity.

While there has not been the growth in membership, and number of conversions that we would have been glad to see, almost all the charges have made steady advancement in ways not easily expressed by figures. No great calamity has befallen any of our charges. The closing down of a large lumber enterprise in Musserville, or South Muscatine, as it is generally known, has caused the removal of a large number of families and seriously interrupted the business interests of others. Notwithstanding this the church has met all its financial obligations and made some advance in benevolences over last year. This church belongs to the Muscatine circuit, E. C. Brooks pastor.

Our church papers have received a good deal of attention from the pastors for their circulation. I am sorry to say that not all our people are reading people and not all our reading people seem to be interested in Methodist literature. I believe that greater diligence upon the part of some of our pastors will result in multiplying the number of church papers now taken, and will intensify loyalty and energy in the membership of the church. There are something more than 300 of the Advocates taken and about 700 Epworth Heralds.

Respectfully submitted,

W. G. THORN, Presiding Elder.

Burlington District.

I take pleasure in submitting to you my third annual report of the Burlington District; and I make it with a deep sense of gratitude to God for his abiding presence and preserving care, and gratitude to the church and the ministry for so large a share of co-operation, and a further recognition of the good Provi-

dence of God, manifest in the lives and healths of all the pastors and their families, and also in the general good health of our people throughout the District.

The year has been one of peace and brotherly fellowship. In the various lines of work common to our Methodism the pastors of Burlington District have enjoyed a fair degree of prosperity. In some of the charges the churches have been blessed with extensive revivals, and perhaps without a single exception there have been conversions and accessions in every pastoral charge. While the evangelistic spirit characteristic of true Methodism has by no means departed from us, nevertheless, account for it as we may, it is a too prevalent and serious fact that it is exceedingly difficult to get the unsaved to our churches and under the influence of the ministrations of the word of God. Still another serious fact remains that our churches are not exerting the moral influence and power of righteousness over existing political, commercial, and social evil conditions as they should; and they are not being recognized as a moral force to be reckoned with by the aggressive elements of wickedness as they should. While the trend of the religious life seems more to the philanthropic and practical, and the general spiritual condition of our people is far from ideal and in some instances is exceedingly low, we still believe, nevertheless, that in the body of our Church there is a degree of intensity among our people, an undercurrent of spiritual life, that will soon be manifest and felt in an aggressive evangelistic effort in the charges of the District. Indeed, partial plans are now in the minds of the brethren, to be perfected and executed on a return from this Conference, in a revival campaign throughout the District.

From carefully prepared reports sent us by the pastors we are able to make quite reliable reports as to the most important general features of the work of the District for the year. The aggregate number of conversions is about eight hundred. The number of accessions to our churches on probation is about six hundred and fifty. The following charges have shared conspicuously in revival results: New London, Danville, Mount Union, Crawfordsville, Columbus Junction, Fort Madison 1st, Morning Sun, Winfield, Mediapolis, Mount Pleasant 1st Church, Salem, Sperry and Wapello. The remaining charges have had some increase to their membership. Notwithstanding the number of conversions, baptisms, and accessions, we may not be

able to report much of an increase in the total membership of the church. Indeed, the loss by death and removals added to the careful pruning and revision of the church records may show an actual decrease.

The Church property is in good condition, secured in nearly every case with a reasonable amount of insurance. The church at Crawfordsville, to which we referred in our report a year ago, was soon after Conference dedicated free of debt by Dr. Hancher, assisted by a few of the former pastors and brethren. This is a beautiful village chapel, worth about six thousand dollars, and speaks well for our people and the town. A very conveniently located and desirable property for a parsonage home was purchased through the efforts of Brother Smith and the people of Fort Madison, Santa Fe Church, at the cost of \$1000, \$600 of which has been paid and the remaining amount is provided for in good subscriptions. New London people have very materially improved their parsonage property by added room, cementing the cellar, repainting and papering. Danville has spent some \$700 in the general repair and decoration of their church building. Our people at Ainsworth contemplate, in the near future, rearranging and enlarging their present church edifice so as to make it more commodious and modern in appearance and in the plan of apartments. No new church enterprise is under way or contemplated,—unless our brethren at Winfield should say now is the time to arise and build. First Church, Burlington, has just finished extensive repairs in the way of redecoration, carpets, and thorough burnishing of pews and the furniture of the entire building at a cost of twenty-five hundred dollars; also Grace Church spent a considerable sum in like work on their building. Our people take a reasonable pride in the care and protection of church property. Throughout the district we have a list of fine churches, village and country chapels, neat and modern—many of which are heated with furnaces and lighted with this quite modern system of gasoline gas, making them comfortable and inviting places of worship.

Our connectional benevolences have received due consideration, and, with one or two exceptions, the pastors have devoted themselves by public effort and private solicitations in the hope of making the full apportionments in this year of plenty and growing prosperity. As a result,—while all of the apportionments will not be met in full,—I think the reports of the pastors will show an increase in the aggregate over last year. Quite a

number of charges will have all the benevolences in full. I give the aggregate as follows: Missions, \$3,922; I. W. U., \$808; Church Extension, \$345; Freedman's Aid, \$348; Sunday School Union \$——. I think there will be very little increase in the collections for Tract and Bible cause.

The Senior and Junior Leagues are developing our young people into earnest Christian workers. We have thirty-three Epworth Leagues with a membership of about six hundred and fifty. Our Sunday Schools are doing efficient work, never more so I believe than during the past year, and, with two or three exceptions, are supplied with our own excellent helps and literature.

Two sessions of the District Conference have been held. The fall session at Grace Church, Burlington, and the summer meeting at Crawfordsville, both of which, while not so large in attendance, were inspiring and helpful to the churches where held as also to the members present. The usual Disciplinary business was attended to, the records of which are here for the inspection of your committee.

Believing that our Conference Claimants should have a more adequate support, we have and do most heartily second the labors of our Field Agent, Brother R. L. Patterson of the Permanent Fund, and trust that so far as he may have visited the charges of our District his report will show a liberal response to this important Conference Fund.

The Iowa Methodist Hospital has had some attention in a few charges that have been visited by the Field Agents. Of the contributions to this most worthy institution I am not prepared to report; but know in a few instances, at least, there have been very liberal donations. As this worthy arm of church service becomes better known to the people there will be, I am sure, no doubt as to their interest in and support of it.

We have given faithful and continuous oversight to all the claims of Ministerial Support. In several charges there is a generous attitude toward the question of pastoral support. In no charge has there been a reduction from last year's claims, but, on the other hand, there has been an aggregate increase of eight hundred and fifty dollars, making the average salary on this District nine hundred and fifty-three dollars. We confess, in a few charges a deplorable lack of business system and of efficient stewards and officials. We are doing our best to

correct these evils, with some small degree of success, and with the hope of better things for time to come. We discountenance all fictitious values. Our purpose has been to have a liberal,--- certainly a reasonable,---claim allowed, then to have no deficiencies. The report of pastors will declare how nearly we have succeeded.

Since the General Conference has given Ladies' Aid Societies Quarterly Conference recognition it is fitting that we make at least a brief reference to them and their work. All have been, with one or two exceptions, confirmed and their presidents approved as members of the Quarterly Conferences. The societies are of great worth to the local church. The financial features of their service is one of no small consideration. I regret that I am not able to give in this report even an approximate estimate of the amount of funds raised and disbursed. But the valuable service of these elect ladies in cultivating the social life of the churches and breaking down walls of partition, and thus, at least, indirectly helping people into the Kingdom, cannot be told in figures.

Our excellent church papers, the Advocate and Epworth Herald, do not have that patronage they should have. I think we have in the Burlington district one thousand Methodist families without any one of our periodicals.

The report that I may be expected to make of our College will be given in careful detail by President Hancher. I need only add that the effort to raise the Emergency Fund has been responded to by the laymen of the District to the extent that it is safe to say we are good for our equitable apportionment, and more, if need be. I fear we shall not reach our full apportionment of the Educational Collection, but we hope to report the amount of last year. In some charges it seems next to an impossibility to collect 25 cents per member. The attention of our people is more and more being directed to our Conference school, and there is a growing favor toward the University.

This report has only been given in outline and in general features of the work of Burlington district. Many things in detail, and personal, we should be pleased to give, but even then much of the real service and sacrifice of pastors and laymen could not be brought to light; for sometimes where results are not visible, there has been equal or greater endeavor, and thus: "When earthly parchments fail of record, it is a comfort to reflect there is a book where is recorded all events, all time afforded,

and whose witnessing it is which determines eternal felicities."

I conclude this report by answering nothing against the preachers of the Burlington district, as I verily believe they are blameless in life and character.

Respectfully submitted,

T. J. MYERS, Presiding Elder.

Ottumwa District.

In submitting my sixth annual report of the Ottumwa District to the Iowa Conference, I wish to record my profound gratitude to Almighty God for the preservation of my life and health, and the continuance of His mercy; and to my brethren both of the ministry and laity of the church, for their unfailing kindness to me, and hearty co-operation in the work of the Lord.

Supplies---Five charges were left at last Conference to be supplied. Rev. C. L. Starr was secured for the Martinsburg Circuit, C. E. Pettit for Highland, J. H. Koch was transferred from the W. Va. Conference early in the year and appointed to the Pleasant Plain charge; J. W. Stine supplied the Iconium Circuit and R. V. Pike the Ottumwa Circuit for six months of the year, J. H. McDonnald for two months, and for the last three months we have been unable to secure a competent man for this charge. However, the Sunday Schools and the prayer and class services have been kept up at all the appointments.

Rev. C. R. Norton, who was appointed to the Batavia Circuit, owing to the serious illness of his family, was compelled to resign his charge, and the Rev. George H. Kemp, of the North Indiana Conference, has since supplied the work.

Revivals---Great emphasis has been given to evangelism with the result of more or less of the revival spirit abroad in all the charges of the district. Some of the charges have enjoyed seasons of great refreshing and witnessed the ingathering of many souls. Of these we mention the three churches of Ottumwa, Agency, Pleasant Plains Circuit, Martinsburg, Kirkville, Ottumwa Circuit, Bussey, Harvey and Tracey and Attica, while all the charges have reported conversions and reclamations. In round numbers the results of these revivals have been 800 conversions and 700 accessions to the church. The last Sabbath of the Conference year was a red letter day to the church in Hedrick in

which ten persons professed conversion and twelve united with the church, all of whom are adults.

Material Improvements---The church at Tracy on the Harvey and Tracy charge which was practically rebuilt at the close of last year, was reopened and dedicated the first Sabbath after Conference by Dr. J. W. Hancher, assisted by the pastor O. G. Orcutt and the writer. The expense of the improvement, amounting to about \$1500.00, was amply provided for.

Our new and commodious parsonage at Moravia, mentioned in our report last year, was completed soon after Conference, and has since been occupied by the pastor J. C. Caughlan and his family.

A new and beautiful parsonage of two stories and seven good rooms has been erected at Attica, on the Attica Circuit, where Rev. R. A. Bruce is the pastor, at a cost of \$1250.00.

At Farson, where, until the present year, we had no appointment, Rev. C. L. Starr, pastor of Martinsburg Circuit, conducted a gracious revival which resulted in the organization of a good society, a flourishing Sunday School, and the erection of a new church at a cost of \$2,500. This church will be completed and dedicated by the first of November.

The building enterprise, mentioned in my report last year, as having been launched at Hedrick, has materialized beyond our expectations, resulting in the erection of one of the best parsonage properties in the District, replete with modern conveniences necessary for an ideal home. And also, in the erection of one of the most handsome, substantial and convenient church edifices in our district; and the best church building of any denomination in Keokuk County. This building is veneered with rock faced red paving brick, which gives it a beautiful appearance from without. Within, there is a main auditorium, seating, including the choir loft, 300 people; a large lecture room for the Sunday School and four additional rooms for recitations and primary work. The basement extends under the whole building, one half of which is devoted to the furnace and fuel, and the other half finished as a dining hall and kitchen. All of the rooms on the main floor are beautifully frescoed, nicely carpeted, and the rich furnishings and fixtures harmonize with the large art-glass windows, the harmony and blending of colors being carried out through all the rooms.

These buildings represent a cost of \$11,300. This church will be dedicated the 17th of September by Dr. B. I. Ives of

Auburn, N. Y. Only a modest part of the cost remains to be raised at that time.

Sunday Schools.—Our Sunday Schools are in a most flourishing condition and are an arm of great power for good in all of our churches. They are using our own literature and with but few exceptions are organized into missionary societies.

Epworth League.—The Epworth League is still doing faithful work in most of the charges. A very helpful District Convention was held at Knoxville, June 20-23. These Epworth League Chapters are bringing our young people into harmony and co-operation with the church in all the advanced movements of the age.

District Conferences.—Two sessions of the District Conference were held this year, the first at Tracy, Iowa, in November, and the second at Packwood, July 17-19.

These sessions were both well attended and proved to be seasons of inspiration and refreshing to all in attendance.

The Benevolent Causes.—The Benevolent Causes have received earnest attention on the part of our preachers and in many charges our people have responded heartily with their means to the appeal of the pastors for enlarged liberality in the support of the various Benevolent Causes. We hope that our reports will show advancement in all of these causes.

Periodicals.—While a good number of our people take a church paper, there is great need for an advance movement on the line of pushing the circulation of our church papers.

The Epworth Herald is growing more and more in favor with our people, and in many homes is supplanting our Christian Advocates.

I wish to speak in commendation of the good influence of World Wide Missions among our people. It comes to each person who contributed \$1.00 or more to the cause of missions the preceding year, and is overflowing with the most inspiring facts, fresh from our mission fields.

Permanent Fund.—The agent of our Conference Permanent Fund for our Conference Claimants, has been earnestly and most efficiently pushing his canvass among our charges, and has made friends for himself and the cause he represents wherever he has gone. The universal verdict of our people is that he is the right man for the place he fills.

In Conclusion---In laying down the Presiding Eldership of

this district, I must confess that I am sorry for the mistakes I have made, and that greater success has not been achieved during the past six years. But I am profoundly grateful for a few things which have been done. During the past six years we have built thirteen new churches and in almost every instance have succeeded in paying for them.

A large wing was added to the First M. E. church of Ottumwa and splendidly equipped for the Sunday School services and a large and commodious gallery was placed in the auditorium at a cost of \$12000.

The Willard Street Church of Ottumwa, under the direction of that prince of church builders, Rev. D. C. Smith, was practically rebuilt at a cost of \$4500.

The churches at Harvey and Tracy were remodeled, enlarged and rebuilt. The Harvey church costing about \$2400, and the improvements on the Tracy church \$1500.

Eleven new parsonages have been added to our district during this period. After adjusting the loss of the Cedar charge which was transferred to the Oskaloosa District two years ago, we find that an advance has been made in the salaries of our pastors of \$5638 up to the close of last year.

In round numbers 5000 have professed conversion during these years and nearly 4000 have been received into the church.

In comparing the number of members and probationers reported in our minutes six years ago, with the number which will be reported at this Conference, we are constrained to inquire, what has become of our members?

Almost 1000 of them have joined the Church Triumphant. About 2000 of them have removed from our borders. Our only comfort in view of these heavy losses is that those who have gone from among us are standing up bravely for the Master and Methodism in other parts of the country.

Some progress has been made in increasing the contributions to the Benevolent Collections, but this has not been what it should be; but we have been moving in the right direction.

And now with my interest in all that pertains to the work of the church in the district, unabated, and with a sense of high appreciation and profound affection for my brethren, both of the ministry and laity, I now resign my place to another, trusting that our Bishop may be divinely directed in the selection of a man for this important office.

J. W. LAMBERT,
Presiding Elder.

Oskaloosa District.

Dear Fathers and Brethren: Through the unfailing goodness of God to myself and family during the past year, I am able to present the following account of the condition of the church in Oskaloosa District. Everywhere, from both pastors and laymen, I have received so many kindnesses that the otherwise burdensome toil has been a constant delight.

Supplies.---Because of the scarcity of men, Bishop McDowell was compelled to leave four charges to be supplied at the close of the Conference session one year ago. Immediately I was enabled to supply Barnes City, Delta and Rose Hill with W. J. Hamilton, O. E. Reade and O. E. McBride, respectively. Ewart was without a pastor for nearly one month when the services of B. F. Rogers, a member of the Northwest Kansas Conference, were secured. However his health was such that he was not able to withstand our rigorous winter and so tendered his resignation at Christmas. I was soon able to secure Earnest J. Starr, a local preacher, who has done splendid work,—there being a general desire for his return next year. At Delta, O. E. Reade served six months and then resigned. For three months this charge was without a pastor, when Charles H. Myers, a student at Drew Theological Seminary was secured to take the work until Conference. Brother Myers has proven himself "a workman that needeth not to be ashamed." He comes with the full endorsement of the District Conference for admission on trial.

Sickness and Death.---Our parsonage homes have been quite free from sickness this year, still I am pained to be compelled to report the death of that elect woman, Mrs. Zetilda A. Coxe, whose beautiful life was ever a source of inspiration and delight to those who had the privilege of coming closely in touch with it. Early in December, after a critical surgical operation, with the song of triumph upon her lips she passed to a gracious reward. She has gone, but behind her there remains a precious memory of deeds well done and a life well spent, and we bow our head submissively while the will of an All-wise Father is being unfolded.

Evangelism.---For months there has been a growing desire on the part of both pastors and laymen for the inauguration of a District evangelistic movement. Accordingly a meeting of the pastors was called at Grinnell early in March, where the subject of the needs and opportunities of a united evangelistic campaign

were discussed, with the result that the purchase of a tent was ordered and arrangements made for a summer campaign. A tent costing \$285 was secured, having a seating capacity for 800 people. This expense has been borne by the laymen of the district. Tent meetings have been held at Peoria, Lacey, New Sharon, Thornburg and Barnes City with most gratifying results. It has been the purpose of the brethren to keep the tent in the most needy districts, where church life was lowest and religion largely forgotten. Consequently the results, numerically, have not been as large as might otherwise have been expected, but no one is discouraged. Twelve of the pastors were chosen for evangelists, their charges willingly releasing them from home duties to take up this much needed home mission work. The pastors chosen for the work were: Brothers Cummins, Edwards, Newsom, Phillips, Smith, U. S.; McBlain, Somerville, Wilson, McBride, Longnecker, Hanawalt and McClelland. During their absence their charges were supplied, Brothers Waring and Coxe rendering efficient service and in this way contributing directly to our successful efforts. Meetings without the tent were held at Kellogg and Lynnvile. Our greatest embarrassment lies in the fact of the number of places wanting the tent and the limited places that can have it during the season. I am certain that we are working along the right line and next year ought to see very large results.

Church Membership.---I find it quite hard to get satisfactory results as to Church membership in the District. But from reports sent in it now appears that we have a net gain in membership this year of about 250. It is certain that there have been more than twice the conversions this year than there were last.

Class Meetings.---Nineteen of the twenty-six charges report to me thirty-one class-meetings held regularly within the District. I think that possibly some of the pastors not reporting this item have class meetings. Of those reporting there is given an average attendance of 484. My judgment is that there has been a slight increase in both numbers of meetings held and average attendance.

Epworth Leagues.---I still have much concern as to the outcome of the Epworth League in most of the charges. We have but few chapters that are doing very much positive work for the spiritual uplift of the church. There are reported twenty-nine chapters, with a membership of 1190, which is a slight increase over last year. Either the League must be maintained as a

spiritual factor or else greater effort must be made to get our young people into the mid-week prayer meeting. Perhaps both is the most desirable course of procedure.

Sunday Schools.---Last year we reported 5,516 Sunday School scholars. This year we report 5,766, an increase of 250. The average attendance for the year has been 3,450. The expense of the 54 schools for the year has been \$1908. This money is well spent, but has demanded great economy upon the part of our Sunday School boards to make it do the necessary work. Upon inquiry I find that there are about 400 S. S. Journals taken, 900 S. S. Advocates and 600 Classmates. In all of our schools, save one, I think, our own literature is taken exclusively.

Salaries.---The salaries promised at the beginning of the year were about the same in aggregate as promised last year. I think that in most cases the salaries will be fairly paid up, still there remains a few charges that have a bad habit of letting the pastor go to Conference without his money, and then because they get a pastor for another year, through some strange psychological process seem to be able to persuade themselves that the obligation is settled and there is no further need of concern, no matter how many unmet bills the pastor has or how many necessities he really demands. I have tried to study the situation as best I can to see how these deficiencies may be eliminated. I am more and more driven to the conclusion that the plan outlined in the Discipline is the only plan for our churches and that when followed there is little trouble in getting our pastoral support. I trust that the Conference will pardon me for two observations. The first is, that in several of our charges the membership of our Quarterly Conferences needs a general shaking up. It is poor business policy to continue a man in official relation, simply because he has been an officer for many years. The Quarterly Conference is not the place for a collection of antiquities, but rather of live, up-to-date specimens of wide awake business men and women. Still we must not blame the laymen altogether. The pastor holds an important relation to the 'paid-up' salary proposition. In order to help our stewards we need a wonderful awakening along the line of old-fashioned pastoral labor. I am persuaded that some pastors fail here. The need for pastoral work is apparent and the demand is imperative. A hearty response to this form of

ministerial work will greatly add to the pastor's bank account, as well as to his efficiency.

Church Indebtedness.---There is but little incumbrance upon our church or parsonage property, The Journal of last year reported an indebtedness of \$3,836. The pastors' reports to me show a decrease of \$1091. That there is a single dollar of indebtedness is so unnecessary, and I trust that one year hence this may be entirely swept away. At Lacey an old debt coming from the church building has been paid, amounting to \$250. Recently it was discovered that our parsonage property at Cedar was built upon land belonging to the C. B. & Q. railroad and immediate attention must be given to it. Through the efforts of the pastor a settlement was effected whereby the deed was secured upon the payment of \$190. Oskaloosa has reduced her indebtedness about \$500. A few other minor debts have been paid.

Improvements.---There has been a considerable amount of improvements made upon our churches and parsonages. Pella leads with the rebuilding of their church at an expense of \$3,100. We now have one of the most beautiful auditoriums there is to be found in the District, which bespeaks a new and better future for Methodism in this quaint Dutch town.

Taintor has put a new foundation under the church and painted and repaired the building generally. There and at Peoria about \$400 has been expended. Toole Chapel has just completed the raising of \$300 for the seating of their church. Brooklyn and What Cheer have each spent about \$300 in side-walks, paint and paper, while New Sharon follows closely with the expenditure of about \$260. There have been lesser improvements upon other properties, the whole aggregating something over \$5,000.

At Montezuma our people are busily engaged in building a new church and expect to be able to dedicate on the last Sunday in November. When completed it will be one of our finest churches. The details of this enterprise must be left for my successor one year hence.

Benevolences.---In the main there has been a faithful presentation of the benevolent causes. The shrinkage in some of the charges must not be attributed to the fact of any inactivity on the part of the pastors in those charges. Local conditions have changed to such an extent in some of the charges as make the

high standard of last year impossible for this. Then, too, the absence of all of our secretaries this year is manifest in the results. However I am able to report for Missions \$3,639, as against \$3,949 of last year; Church Extension \$244, as against \$262; F. A. and So. Ed. Society \$235, as against \$255; Iowa Wesleyan \$710, as against \$678; S. S. Union \$68.00 as against \$55.00; Tract \$54.00 as against \$48.00; W. F. M. S. \$969, as against \$988; W. H. M. S. \$543, as against \$581; and Conference Claimants \$519, as against \$514. The total for benevolences being \$6,510, as against \$6,813 of one year ago.

It is proper that I should at this time report to the Conference the gifts of Mrs. J. C. W. Coxe, through her will, of \$100 to the Freedman's Aid and Southern Education and of about \$15,000 through the Missionary Society for an Osman Caldwell Memorial Hall for Reid Christian College, of Lucknow, India, in memory of a son who died some 16 years ago. These gifts will be turned to their proper places as soon as her estate can be settled.

Periodicals.—I am unable to give a comparative statement as to the periodicals taken within the District, with those taken one year ago. From the reports made I find 476 copies of Advocates taken and more than that amount of Epworth Heralds. That there are more Epworth Heralds taken than all of the Advocates combined is not due to its superior character, but rather to the fact that its subscription price is so much lower. That all of our literature should have a wider circulation is apparent. It is a continued source of regret as I visit hundreds of homes annually to find so many without any religious literature.

Conferences.—Two district Conferences were held during the year, the first at Brooklyn in November, and the second in June at Searsboro.

Conventions.—Interesting conventions of both the W. F. M. S. and the W. H. M. S. were held this year, both at Brooklyn. They were sources of great inspiration to the church there, as evidenced by their hearty advance in collections.

The Epworth League held a convention at Newton in June that was quite well attended considering the busy season in which it was held.

Temperance and Divorce.—I trust that I am not overstepping my privilege in this report when I refer to these two gigantic evils in our territory. We are without doubt facing tremendous

perils along the line of these evils. I find great need of an awakened conscience as to both. It is not an uncommon thing to find names of Methodists upon petitions for the maintenance of rum's iniquitous traffic, while social ties close too many mouths against the divorce evil. Pastors must preach more sermons against both evils and be leaders in every community in the fight against them.

During the year I have endeavored to do my best. Less than 90 days have been spent at home, and in the exclusive work of the District I have traveled over 7,500 miles by railroad and about 1,500 by team, yet with all of this there is much undone. I can but ask much charity on the part of my brethren for my weaknesses and much prayer for added strength and wisdom.

JOHN C. WILLITS, Presiding Elder.

VII.

REPORTS OF DISCIPLINARY COMMITTEES.

AMERICAN BIBLE SOCIETY.

The American Bible Society has for its sole purpose the distribution of the Word of God. It has a place unique in the kingdom of God, but to do its work it must have the liberal support of all God's people. There is a great shrinkage in receipts from legacies. This deficiency must be made good by enlarged gifts from the living. Last year thirty-six charges of our conference reported nothing for this society, and the entire gifts of the conference amounted to but one per cent of the amount collected for missions.

Therefore, Resolved, That we comply with the request of its agents, and instruct the proper authorities to apportion to the various charges, for this society, an amount equal to three per cent of the amount apportioned for missions, and, as pastors, we will give the people the necessary information as to the work of the society, and urge them to give liberally.

BOOKS AND PERIODICALS.

We wish to express our appreciation for the growing business of the Western Methodist Book Concern and gratitude for the substantial dividend from it to our conference claimants. We regret, however, the results following the change in the price of our western "Advocates" and desire an adjustment more satisfactory to our preachers and people. We disapprove, also, of the manner in which our publishing agents have been sending accounts to subscribers of our papers after the pastors have assumed the responsibility for the subscriptions and have notified the publishers thereof. We hope our people will patronize the publications from our presses, our Sunday Schools use the literature of our Union, a church paper enter every Methodist home and our new Methodist Hymnal soon come into general use by our churches as a manual of song.

CHURCH EXTENSION.

We heartily congratulate the board of Church Extension and its friends on the splendid achievements of the past in providing houses of worship for those who most need them. Church extension as a factor in promoting the great interests of Christ's kingdom is indispensable and worthy of our best endeavor and liberality. The largest usefulness of this splendid organization has been diminished to some extent because the full apportionment has not been met, and as we recognize its existence as imperative to the church's opportunity in providing for those who need a helping hand. We should therefore consider its financial claims and meet the

full apportionment for this forerunner of Christian civilization. We therefore ask the preachers of the Iowa Conference to prayerfully consider its claims as it stands related to the progress of Methodism.

EDUCATION.

Your committee would respectfully report that we heartily commend the excellent work for higher Christian education, being done by the Board of Education.

We urge that Children's Day be observed and that the collection be taken in every charge as ordered by the Discipline. During the past year the Board has aided 1957 young people in education, 24 of whom have been residents of our territory.

We commend the "Christian Student" as a very useful publication.

We recommend that President Hancher's report to this conference be adopted as a whole and published in the Conference Journal.

We recommend the completion of the emergency fund now being created, and we re-affirm our recommendation of last year that twenty-five cents per member be the apportionment to be raised for the Iowa Wesleyan University, with the beneficiary provisions to charges contributory, already extant.

We hereby express our high appreciation of President John W. Hancher and his co-laborers in the faculty for their able and efficient work.

We recommend the following trustees and visitors to the Iowa Wesleyan University: Trustees whose terms expire 1909, H. N. Smith, J. F. Barnett, T. S. Pool, W. I. Babb, W. E. Keeler and Gardner Cowles. Visitors, U. S. Smith, H. C. Hollingsworth and Thornton Willits. Visitors to Garrett Biblical Institute, T. J. Myers, J. F. Barnett. Visitors to the Woman's College of Baltimore, W. P. Stoddard and J. A. Boatman.

We recommend that W. H. Perdew be appointed to deliver the annual educational address next year and that F. B. Tucker be his alternate.

We recommend that Hugh Cole be elected a trustee of Iowa Wesleyan University in the class to expire in 1907, to take the place made vacant by the resignation of W. R. Cole.

After due consideration of the resolution referred to us by the Iowa Annual Conference, calling for a revision of the charter of the Iowa Wesleyan University, as hereunto appended, we recommend that it be adopted, and its terms carried into effect without unnecessary delay.

THE RESOLUTION

Believing that the best interests of Iowa Wesleyan University would be conserved by a more liberal and generous provision in the charter for the election of its Trustees and Visitors, and believing that the interests of this Conference would be conserved and its influence in no way impaired by such more liberal and generous policy, we recommend to the authorities of the Iowa Wesleyan University that a revised charter be procured through the proper legal processes of the State of Iowa at as

early a date as possible, which shall provide that, instead of the Iowa Conference electing all of the Trustees of the University as has been the rule and custom under the present charter, the Iowa Conference shall annually elect three Trustees, each to serve for a term of four years; that the Alumni Association shall annually elect two Trustees, each to serve for a term of four years, and that the Board of Trustees shall annually elect two Trustees, each to serve for a term of four years.

We further recommend that the proposed revised charter shall provide for the election of one Conference Visitor annually by the Iowa Conference, and one Conference Visitor annually by the Alumni Association, and that the term of each and every Visitor so elected shall be three years.

Respectfully submitted this 8th day of September, 1905.

FIFTH ANNUAL REPORT OF JOHN W. HANCHER,

President of Iowa Wesleyan University, to the Sixty-Second Annual Session of the
Iowa Conference, Albia, Iowa, September 6, 1905.

Iowa Wesleyan has closed another year's history-making. The enrollment of

STUDENTS

in all departments is about three per cent in excess of that of the preceding year. The number of professors and instructors has been somewhat larger than hitherto. Because of this there have been no student tutors, the regularly elected professors and instructors having been able to care for all the classes and lectures. The Y. M. C. A., the Y. W. C. A., students' class organizations and faculty combined to the end that all Christian students might be led into richer experiences, and that all un-Christian might be brought to public acknowledgement, confession and acceptance of the Christian religion. These organizations and efforts were aided in no small way by the untiring efforts of the aggressive and godly pastor who represents this Conference in caring for the interests of the Methodist Episcopal Church at Mt. Pleasant. Eighty-nine per cent of the students of the Academy and College of Liberal Arts professed the Christian religion at the close of the year. The religious life was not marked

by such waves of enthusiasm or emotional manifestations as we have sometimes witnessed, but there was a solidity and reliability in the religious life of the college this year that was most gratifying and encouraging. Not many changes occurred in the

FACULTY.

Rev. Elias Handy, A. B., A. M., who was the faithful and efficient Principal of the Academy and Professor of Pedagogics and Oratory, resigned at the close of the first term to enter the service of the State Sunday School Association as its Field Secretary.

Miss Elizabeth Dean took his work in Pedagogics, in addition to the work she was already carrying, and Mrs. A. C. Pierſel, the wife of our Dean of the College of Liberal Arts, was procured to take charge of the classes in Oratory for the remainder of the year.

Rev. G. L. Minear, A. B., S. T. B., a member of this Conference, who was already under appointment by Bishop McDowell as one of the field secretaries of Iowa Wesleyan, was elected to fill the vacancy in the principalship in the academy, occasioned by the resignation of Professor Handy, but continued in the field as a Financial Secretary until Commencement, since when he has been industriously engaged in cultivating your patrons and looking to a student patronage for next year in a specific portion of the Conference territory.

The above mentioned changes were made by the Board of Trustees at its mid-year session, January 11—12, 1905.

Miss Alice J. Haw having resigned her position as Physical Director at the Commencement meeting of the Board in June, 1904, in which position she had rendered most satisfactory service, and no successor having been chosen by the Board, the Executive Committee procured the services of Miss Gertrude Gazelle Gardner, a special instructor in the Mt. Pleasant High School, who had charge of the Physical Culture classes of your school during the year.

It was understood that the above named supplies were temporary, although they rendered such valuable services that the Board would have been glad to retain them had it been practicable to do so.

Miss Emma S. Stover, A. B., A. M., who last year occupied the chair of English Literature in your college, found the climate of southeastern Iowa entirely too rigorous for her somewhat unstable and treacherous health, and she was obliged, against her own inclinations and the positively expressed wishes of the Faculty and Board, to ask to be relieved from further service at the close of the school year. Elected as she was upon the recommendation of Bishop McDowell, she was so efficient that our Board found it easy in June to select her successor upon the same competent recommendation, ably and enthusiastically supported as it was by the special commendation of our present presiding Bishop, Henry W. Warren; and Lilian Winnifred Willard, A. B., A. M., an alumna of Denver University, well equipped by graduate training in the university for

her special work, product of the home of a Methodist Sunday school superintendent of long standing in Illinois, and a tried teacher of a half-dozen years' experience, is now at Mt. Pleasant to take charge of the work of English Literature at the opening of your school next Tuesday.

The positions of Oratory and Physical Culture have been combined, and Miss Elizabeth Hopkins, Ph. B., an alumna of your college, class of 1898, a daughter of a one-time member and vice-president of its faculty, a graduate of the Columbia School of Oratory and the Chicago School of Physical Culture, is in charge of that work.

Miss Elizabeth Dean, who has served so acceptably as Preceptress of Elizabeth Hershey Hall, declined to continue longer in that position, and she has been transferred to the department of Pedagogics, where she will devote her time to building and developing your Normal Department.

Mrs. Jessie Popham Lenoeker, widow of a former professor in the State University of Iowa, succeeds Miss Dean as Preceptress at Elizabeth Hershey Hall, and will arrive at Mt. Pleasant on the 9th inst. to enter your service.

For the past two years we have had no instructor in the department of Belle Lettres, the Board and Executive Committee having chosen to leave the place vacant and the work undone until they could procure a head for that department of special qualification, equipment and adaptability. Such instructor has been found willing to undertake the work in the person of Miss Adele Brooks, a young woman who has had four years' special training under the best masters for her specialty, and who has had three years' experience as a teacher in that department. She is just now direct from New York City where she has spent the past year in thorough and painstaking study. Miss Brooks is well known among the Art-loving people of Mt. Pleasant, and commands their uniform confidence and enthusiastic support. I have great satisfaction in seeing her enter upon this work and great confidence that she will be able to achieve worthy results. The

DEBT

correctly reported one year ago as having been reduced to \$22,000, now stands at \$16,800, the sum of \$5,200 having been applied in payment upon the principal sum, and interest having been paid up to its last maturity, June 1st, during the year. There still remain sufficient bills receivable, interest earning, to cover this amount, and many of the contributors are planning to liquidate their obligations to this fund during the next year. I am sure you will be gratified to know that this amount has been collected and applied, and that good cheer and confidence seem to characterize the persons who contributed these funds. The

EMERGENCY FUND

authorized last year and expected to be completed within the year remains unfinished. Professor Minear devoted nine months of the year to that work, and Field Secretary Powelson has devoted such part of the year as

he did not have leave of absence, to the work. He was excused for a number of weeks during the year to give necessary attention to his own personal affairs. He and Professor Minear were assisted for about ten months by Rev. J. A. Sinclair, who was in the employ of the Executive Committee from early in November, 1904, until the end of August last. Personally, I was able to give but little attention to the Emergency Fund during the year. It totals to date about \$26,000, of \$4350 a year for six years. The difficulties anticipated in undertaking to raise this fund because of the recent large contributions to the 20th Century Fund were not so great as we anticipated, but the natural objection of cautious people, who expect to pay their debts, to signing an obligation to continue for a term of six years, has greatly embarrassed us. However, the work has been faithfully and persistently carried forward. Difficult as this task has been, the present total subscription is a fair measure of the reasonable expectation of that portion of the territory systematically covered in the canvass. Only the Burlington and Keokuk districts have had anything like an exhaustive canvass. Each of these districts has already subscribed about eighty per cent of the total amount expected of it, and I confidently expect that the other twenty per cent will be forthcoming. We therefore report progress, and ask for further time in which to complete this splendid fund, as confident that it will be done as we are that it has been carried forward thus far. The basis of apportionment for the

EDUCATIONAL COLLECTION

adopted at Newton four years ago and followed since is, without doubt, a valuable and helpful thing. It has already resulted in more than \$6,000 increase over the previous period of an equal number of years. I hope the Conference will be glad to adopt the same apportionment for the current year, and am authorized by the Trustees to extend the same privileges of credit to your charges raising the full apportionment, to the benefit of worthy and needy students, to the limit of the total amount of your contributions. The

ENDOWMENT

has not grown materially during the year. The last will and testament of Mr. Charles E. Smith of Burlington left to us an undivided one-fourth interest in a section of land in Arkansas, the equity in which is said to be about \$1,500; and the last will and testament of the late James A. Burbage, of Agency City, left us a direct bequest of \$1,000. The will of Mr. Smith was contested, and we were obliged to compromise at a cost of about \$150. Mr. Burbage had made three wills, and his estate is now in litigation as to which one shall be determined as his last will and testament, but your interests are not in jeopardy, as each of the three wills make your college a legatee in the sum of \$1,000. These bequests are without instruction and may be applied by the Board of Trustees to the benefit of the Endowment Fund or to the benefit of other funds as may seem best to them. The detailed endowment need for twelve specific chairs

named in my last report and published in the year book of 1904, page 49, met the approval of the Board of Trustees of Iowa Wesleyan and was adopted by them, and has had much commendation in person and by letter from patrons of your college. I hope that this Conference will reaffirm that need with emphasis. The very great need of

GENERAL IMPROVEMENTS

on your buildings and grounds was seen by the Board at the last meeting, and instructions were given that as soon as the Emergency Fund is completed steps should be taken toward establishing a general repair fund, and that as rapidly as the resources are in sight general improvement should be made to the buildings and campus, until all are in an excellent state of repair. These repairs include new roofs for the Main Hall and Chapel and Science Hall, arranging and fitting of physical and biological laboratories, painting, frescoing and other needed improvements on these and the Conservatory, as well as some small improvements on Elizabeth Hershey Hall; cement walks on and about the campus as needed, and a general heating system that shall provide for the greater cleanliness, comfort and convenience of all persons connected with your college. As was announced in my former report, last June was fixed as the time for the celebration of your

SEXTENNIAL.

The preparation for that notable event cost many busy weeks, full of long days and often weary nights. In harmony with the recommendations of the faculty and the instructions of the Trustees, we changed the courses of study from the term system to the semester system. The courses of study were at the same time carefully revised, as was the entire catalog. To this I gave careful personal attention, and in it I was graciously assisted by Professors Piersel and Lymer. We are glad to submit the result in the catalog bulletin of 1905, which we shall deposit with the Secretary as a part of this report. We beg to call the attention of the Conference to the fact that it contains the charters of the institution from the beginning, and also the revised by-laws of the Board of Trustees, upon which the Hon. W. S. Withrow, B. S., Judge of the Circuit Court of the 20th judicial district, and your president spent very much time, and to which we gave no little earnest work. Early in the year we conceived the idea of publishing a historic sketch and alumni record of the institution. The Alumni Record was largely compiled by Mr. Carl S. Williams, M. S., '82, Secretary and Treasurer of the Williams Organ & Piano Company, a Trustee of the University, and one of the most valuable and enthusiastic helpers with whom I have been associated in all my college experience. I found great personal joy in preparing the historic sketch. Imagine my delight to have brought to light one day by my helpers the original Articles of Association of the first organization for Christian education under the auspices of the Methodist Episcopal Church effected in Iowa, and also an autograph letter of Dr. Adam Clark, bear-

ing date of February 6th, 1832, written to Beverly Waugh, John Emory, Nathan Bangs, and, besides other early and valuable papers. I gathered sufficient documentary and testamentary evidence prior to the earliest preserved records of the institution, which dated back to 1845, to establish beyond a doubt that the earliest organization of the institution that has grown into Iowa Wesleyan University was effected in 1842, if not indeed in 1841. So well convinced was your Board of Trustees of the correctness of these dates that at the recent Commencement meeting they adopted 1842 as Founders' year, and the last Thursday in October as Founders' Day, to be annually celebrated at the University by its promoters, patrons and friends. The original Record Book, which contains the Minutes of the Trustees' meetings as early as 1845, has lost its first 17 pages, doubtless went back to these earlier meetings in 1843 and probably 1842. The succession of record from 1845 is complete, and all these records and documents are put away in a fire-proof safe, together with the records and documents of this Conference, deposited with me under your order a year ago by the Conference Secretary. The Historic Sketch and Alumni Record, above referred to, contains a list of Trustees, Visitors, faculties and officials from the beginning. In the nature of the case it is essentially full of errors, but after having done our best, conscious of the multitude of these, Mr. Williams and I decided to publish it, that we might later be able to publish a more accurate one, after we should have heard from you and others, with such manuscript corrections as would enable us to re-check our work and approach the highest possible degree of accuracy. I am very glad to deposit a copy of this Record with the Conference Secretary, to be preserved as a part of the literature of this Conference.

And now I am at the close of four and a third years in this office. I have hoped, prayed, toiled, and striven for much, no little of which has been achieved through your brotherly coöperation, gracious courtesy, un-failing sympathy and loving sacrifice. My service has been your for the Kingdom of Christ. My heart is yours because I love you. I girdle myself with you for the completion of the things begun and the undertaking of the larger things to be begun when these unfinished things, now in progress, shall have been completed.

Respectfully submitted,

President.

EPWORTH LEAGUE.

There is to some extent a missing of the mark, a yielding to the tendency to decline in many of our Epworth Leagues. It comes, we believe, not from an improper constitution or insufficient organization, but rather from putting the emphasis in the wrong place. It comes from a de-

parture from those original ideals which possessed the founders of this vital part of the Church, those ideals with respect to the all-around development of the young life. It comes from a letting-go of essentials, with the substitution of what appears to be more attractive, more entertaining. It comes from a neglect or mere mechanical observance of the spiritual hour of meeting, with the social hour pushed to the front. So that the League has, in some cases, degenerated into little more than a social club, an evening's entertainment, to the utter disregard of its deeper spiritual meaning.

At this crucial period, as never before, every pastor should exercise careful and persistent oversight in the plans and work of the society in his charge, not in a domineering fashion, but in an encouraging, helpful, brotherly, winsome way which commands the respect of the young people and assures them of his loving interest in their welfare.

The proper place for emphasis, for the direction of energy, for the application of our very best endeavors is, we think, in the Department of Spiritual Work. It is imperative that indifference, thoughtlessness, heartlessness, and lethargy in the department be shaken off and every agency that awakens, quickens, fosters and develops strong and clean Christian character in young men and women be brought into action. We are persuaded that the following activities, when rightly presented to the young people and adopted by them, will conspicuously contribute to the healthful and normal life of the League and will greatly aid in shaping the individual life:—

I.—THE "MORNING WATCH,"—a silent but potent factor in moulding incorrupt and consistent Christians.

II.—CHRISTIAN STEWARDSHIP,—by which business and religion are properly correlated and harmoniously adjusted the one with the other, as well as the kingdom of God hastily extended.

III.—INDIVIDUAL SOUL-WINNING,—heart touching heart and life touching life as nothing else can, the results are gratifying.

IV.—THE "STATION PLAN,"—which arouses missionary enthusiasm and widens the knowledge of the vast extent and limitless possibilities of the Church of Christ.

V.—The encouragement of an uncompromising stand against "such diversions as cannot be taken in the name of the Lord Jesus," against amusements which tend to dwarf, benumb, impoverish, starve, or destroy the spiritual nature. Such a decision on the part of its members is the chief bulwark of the Epworth League.

VI.—An effort to increase intelligence among the Leaguers regarding Methodism, its organization, rules, polity, government, and history. The product of such effort wisely directed will be broad and well-informed Methodists, lovers of their Church and promoters of the interests of the great field at large.

EVANGELIZATION.

The Committee on Evangelization again calls the attention of the Conference to the supreme importance of this phase of a minister's work. Our Master, in His teaching and example, calls us to the work of soul-saving.

While we rejoice in the work that is being done, we are convinced that the results are not equal to the provisions of Divine Grace nor the opportunities before the Church.

We believe, that the times in which we live are favorable to compromise in the things of the kingdom; that church membership does not always signify Christian experience; that the distinction between the church and the world is not sufficiently marked; and that we have come to so emphasize certain other results of ministerial and church activity, that we forget the passion of the Apostle who became all things to all men that he might save some.

Your committee believes that the best way to clear up church debts, increase the efficiency of the Sunday Schools, obtain the benevolence in full, maintain a church free from snarls and divisions, and secure the sanctification of believers, is to give ourselves with persistent energy to the work of soul-saving.

Some of our churches are disturbed by an ill-balanced doctrine of holiness, advocated by outside parties responsible to no particular church. Often our most spiritually minded people are lead into extravagance which destroy their usefulness. A ministry whose most marked characteristic is spirituality is our best protection against these conditions. Brethren, if we are to retain our most spiritual people, we must satisfy their highest spiritual aspirations by our spiritual ministries.

We rejoice in the rising tide of evangelism in other denominations and express the hope that Methodism will ever lead us an evangelistic church.

We suggest renewed consecration to Jesus Christ that we may have winsome lives; increased attention to the study of the Bible and the presentation of great Bible themes; greater wisdom and fidelity in dealing with children; that we abate none of our efforts during the revival season but that we **increase** our efforts at personal evangelism.

We believe that for aggressive, organized effort, the district must be the unit. We call attention to the efficient organization of Oskaloosa District, and express the conviction that this method earnestly worked in the fall of the year will do much toward saving our country churches that have been weakened in building up strong churches in our cities and towns.

EPISCOPAL FUND.

The committee examined the statistical reports and find the following charges delinquent on the Episcopal Fund: Burlington West, Burlington District, \$2.00; Exline, Keokuk District, \$3.00; Nichols, \$2.00, Ottumwa, Ct. Ottumwa District, \$2.00; Delta, Oskaloosa District, nothing paid. Since all these charges reported delinquent, have been served by probationers or supplies; and, in order to avoid delinquencies we recommend that the Presiding Elders call the attention of beginners to this claim.

FREEDMAN'S AID AND SOUTHERN EDUCATION.

Your committee is gratified with the work that has been accomplished by this society.

Its object is the uplifting of the people of the south and the solution of the race problem.

Its work is essentially moral and religious. There were 800 conversions in the schools alone last year. 12,000 colored teachers have been prepared in southern schools as Christian educators.

We urge pastors to send in names of all those giving \$1.00 or more to this society, that they may receive the Christian Educator for one year, a magazine full of facts and incidents.

Tracts and leaflets are issued from time to time and will be sent free upon request.

We recommend that every church observe Lincoln Birthday Sunday.

The apportionment for the Iowa Conference for the coming year is \$3,000. Let us raise the apportionment in full and pray God's blessing upon the work of this society.

INSURANCE.

We, the committee on church insurance, note with pride the increase of business accomplished by the National Mutual Church Insurance Company during the year ending Jan 1st, 1905; and also the splendid surplus of \$245,749.29 it has on hand to protect our churches and parsonages against loss by fire. We most heartily recommend it to our church officials as safe and economical.

We also earnestly recommend that our pastors call the attention of their official members to the fact that the National Mutual Insurance Company is an official organization of the Methodist Episcopal church and is thereby entitled to their patronage.

PERIODICAL ACCOUNTS.

We, your committee, are glad to report that the Iowa Conference has sustained her reputation for promptness in settling their accounts with the

Book Concern. Every member present at conference have adjusted their claims satisfactorily with the representative, and showing a larger increase of collections than the previous year.

SABBATH OBSERVANCE.

We, as a nation, are confronted by the evils of Sabbath desecration.

The tendencies of corporations and pleasure seekers, encouraged by the example of many of our church people, have led to a disregard for the sacredness of the Sabbath until it has become appalling.

We would most earnestly urge them to awake to the needs of the hour.

We acknowledge with pleasure the work accomplished by the "Sunday League of America," and are ready to give it our hearty coöperation in every emergency.

We also urge that steps be taken toward such legal enactment as shall prohibit Sunday base ball and Sunday excursions which are a menace to any community.

STATE OF THE COUNTRY.

With a keen sense of gratitude to Almighty God we acknowledge His wisdom and power vouchsafed unto our Chief Executive and unto our people, whereby we were enabled to secure and enjoy our unprecedented state of prosperity and peace.

We find pleasure and pride in the fact of the initiative taken by our President toward the bringing about the cessation of the cruel war in the far East, and we rejoice in the consequent treaty of peace signed within our borders.

We rejoice that capitalists and labor organizations are coming more and more to see the folly of strikes and lock-outs and are resorting instead to peaceful methods in the settlements of their differences, and we are hopeful that President Roosevelt's expressed determination to secure a square deal for every man will be emulated by all men and thus be removed the constantly threatening disaffection between capital and labor.

We are gratified with the recent numerous reform movements successfully introduced and realized by many of our chief magistrates in nations, states and cities. And we pledge to all such movements our loyal support.

We would exhort each and every citizen to seriously consider that he is part sovereign of our great country and hence proportionately responsible for its moral and material welfare.

We charge all Christians to labor unceasingly for the overthrowing of evil and for the establishing of righteousness and to fear not for it is our Father's good pleasure to give us the Kingdom.

SUNDAY SCHOOL UNION.

1.—We commend to our people for use in our Sunday Schools, the whole series of our school publications, and strongly disapprove of the substitutes of any other publication for our own. We congratulate the church on the enlargement and improvement of the Sunday School Journal, and we heartily approve the proposition of the editor that its circulation should be greatly extended by its introduction so far as possible into all our families, as a stimulus and help to the study of the Bible.

2.—We are in hearty sympathy with Dr. McFarland's plan for a more thorough training of teachers of our Sunday Schools, and we recommend that the pastors use their utmost endeavors to procure for their Sunday Schools, the Teachers' Library recommended by him, in order that the teachers may have available the best literature relating to their work. And we are gratified with the announcement that arrangements have been made for an advanced course of Bible Study, in which the Methodist Episcopal church, south, and the Methodist church of Canada are to join with our own church.

3.—We recommend that in our Sunday Schools a special offering may be taken for the Sunday School Union.

4.—In general, we urge an increased interest and intelligent zeal in all Sunday School work, proceeding always upon the assumption that our children are God's children, and that our primary duty is not to rescue them, but to instruct them and train them in knowledge and virtue.

5.—We recommend that Rev. I. O. Kemble be appointed Sunday School Secretary of this conference to coöperate with the Secretary of the Sunday School Union in all matters relating to Sunday School interests.

TRACTS.

1.—The Tract Society is an agency of great usefulness, testimony coming from all parts of the world concerning its great helpfulness as to its actual work. The resources of the society are inadequate to meet but a fraction of the demands for help coming from home and foreign fields.

2.—We believe that the Tract Society should be so strengthened as to enable it to coöperate more efficiently in the work of city evangelization which is of such urgent importance.

3.—We are convinced also that the Tract may be made an agency of much greater usefulness than it has been thus far in all our churches, and in accordance with the provisions of the Society we urge that all pastors send for carefully selected tracts to one-half the amount their charges contribute to this cause, and beyond that purchase as they are able, for distribution in their various charges.

4.—We therefore recommend (1) That every pastor shall send for a copy of the report of the Tract Society and for a catalogue of its publications, which may be had without cost, and inform himself with regard to the work that is being done by the society. (2) That in all our churches the collection for this cause be taken and an earnest effort be made to largely increase the contributions to the society.

TEMPERANCE.

Your committee on Temperance beg leave to report as follows:—

1st.—We rejoice in the continual activity and agitation against the rum traffic and in favor of temperance and righteousness, and in many encouraging signs that while complete victory may yet be some distance in the future, yet that we are steadily gaining ground with the determination to push the battle until the victory is complete.

2d.—We rejoice, also, that as never before the temperance forces and organizations of all kinds are coming together and are working more unitedly.

3d.—While as a church, we should stand unflinchingly by the radical and positive utterances and lines of activity that have been historic with us as a denomination, modifying in no sense our utterances, which have given forth no uncertain sound and abating not in the least, our zeal and the methods of activity which have always kept forces on the firing line, yet, we most heartily commend the new organization effected by the last General Conference, known as The Temperance Society of the Methodist Episcopal Church, the aim of which we can truly express in the selection from the constitution as follows:—

“In order to make more effectual the efforts of the Church to create public sentiment and crystalize the same into successful opposition to the organized traffic in intoxicating liquors, the General Conference hereby authorizes the organization of the Temperance Society of the Methodist Episcopal Church.

“The object of this Society is to promote voluntary total abstinence from all intoxicants and narcotics by the members of the Church, Sunday School and Epworth League, and the speedy enactment of statutory and constitutional laws prohibiting the traffic in alcoholic liquors.

“We recommend in cases, where united effort of Churches of different denominations is necessary to accomplish important legislation or law enforcement which tend to the ultimate extinction of the saloon, that the temperance societies of the Methodist Episcopal Church and the District and Quarterly Conference temperance committees shall coöperate, vigorously and effectively with similar committees from other church and denominational bodies, through the medium of such agency as may be constituted for this purpose, provided such agency is Christian in character; and further recommend that any approved agency already established which complies with this condition shall be utilized rather than cause unfortunate division by multiplying coöperative agencies.—State Journal, 1904.”

4th.—We pledge ourselves as members of the Conference to faithfully carry out the instruction of our book of Discipline on the subject of temperance, and especially to preach on the subject as demanded by the same.

5th.—We express our interest in, and sympathy with the temperance forces of Albia and Monroe county, led by the pastors of this and the other churches of the city and county in their fight for temperance and against the saloon.

We are convinced that the effort of the rum power of Albia, and Monroe county to secure by tricks and questionable schemes, the requisite number of petitioners for the establishing of the mullet saloon needs be watched with vigilance and opposed by united effort.

6th.—We nominate for officers of the Iowa Conference Temperance Society as follows:—President, J. R. Payne; Secretary, W. A. Longnecker; Treasurer, D. C. Bevan.

7th.—We heartily favor the Hepburn-Dolliver bill now pending before Congress and pray that our congressmen will do all in their power to secure speedily its passage and that a copy of this resolution be sent to each of our congressmen.

8th.—We recommend and request the appointment of C. S. Cooper as agent of the Iowa Conference Temperance Society.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

Whereas, the W. F. M. S. has been and is a very efficient and important agency for the uplifting of humanity and the advancement of Christ's Kingdom in the foreign lands. Resolved, That we, the members of the Iowa Conference, do greatly appreciate the work of this society and pledge it our heartfelt support. We note with satisfaction that two splendid young women have gone out this year, viz: Miss Alta Newby to Nanchang, China, and Miss Francis Hitchcock to Chungking, China.

Inasmuch also as Mrs. Mary C. Ninde, one of the most useful and distinguished members of this society, lost her life by fire at Littleton's Commons, Mass., Saturday night, Sept 9th, we also resolve that we deplore the sad calamity and do tender, herein, our sincere sympathy to her near friends, believing that her tragic death only preceded her glad reception into the Eternal Home.

S. of the Iowa Conference, and comes under the supervision of the Deaconess Board of our Conference, and Whereas, this hospital has had phenomenal success in the past four years under deaconess management, thus far being self-supporting; therefore be it resolved, That we pledge our influence and financial aid, and will welcome its representative to our churches and commend it to the patronage of our people.

GARRETT BIBLICAL INSTITUTE.

To the Bishop and Members of the Iowa Annual Conference. We, your Visitors to Garrett Biblical Institute, herewith submit our report.

We heartily concur in the recommendations unanimously agreed upon by the Board of Conference Visitors, representing twenty-six Annual Conferences, as published in the *Northwestern Christian Advocate* of July 26th, 1905.

The seminary will celebrate in May, 1906, the close of its fiftieth year. The trustees and faculty propose to celebrate this event with suitable ceremonies and we urge our conference to join with others in making this a noteworthy jubilee.

The faculty of the school is composed of Christian scholars who both by precept and example inspire the students to faithful and aggressive evangelism, while teaching them to investigate and interpret intelligently and thoroughly the gospel message. We join cordially in commending Garrett Biblical Institute to every young man who, called of God to the Christian ministry, would study to be approved of Him as a workman that needeth not to be ashamed. And we bespeak for the school the prayers, and the generous support of our Methodist people. Signed,

Conference Visitors.

HOSPITALS.

It is with pleasure that your committee is able to report commendable work done during the year by both the Iowa Methodist and the Graham Protestant Hospitals.

At Des Moines a splendid new building is in process of erection, which will add greatly to the capacity and facilities of that splendid institution.

At Keokuk a most excellent record has been made during the past year. Plans are being laid for the enlargement and improvement of that already prosperous institution.

Your committee commends these institutions to the consideration and support of the Conference.

D. 1905, that we recommend to the general conference of said church, to meet in the month of May, A. D. 1908, that section one, article two, of the constitution of said church, be amended as follows:

By striking out in the fourth line of said section one the word "fourteen" and inserting in the place thereof the word "thirty;" and by striking out in the fifth line of said section one the words "forty-five" and substituting in the place thereof the word "ninety," so that the said section one, as thus amended, shall read as follows:—

Section One. "Each Annual Conference shall be entitled to at least one Ministerial Delegate. The General Conference shall not allow more than one Ministerial Delegate for every thirty members of an Annual Conference, nor less than one for every ninety; but for a fraction of two-thirds or more of the number fixed by the General Conference as the ratio of representation an Annual Conference shall be entitled to an additional delegate."

MEMOIRS.

MRS. JAMES C. W. COXE.

Zerilda A., wife of the Rev. J. C. W. Coxe, of Iowa Conference, died Dec. 15, 1904, at Augustana Hospital, Chicago. Mrs. Coxe was born in Green County, Ill., and was the youngest daughter of James and Sarah Meldrum, and granddaughter of William Meldrum, a pioneer preacher of Illinois, and well known sixty years ago. Her childhood was spent at Godfrey. After completing the work of the public schools she took the regular course in the Woman's College at Jacksonville, graduating therefrom in 1858. She was a successful teacher in the schools at Griggsville, and in 1863 was married to the Rev. J. W. Caldwell, of Southern Illinois Conference, who died Jan. 5, 1890. Aug. 29, 1892, she was married to the Rev. J. C. W. Coxe, and for more than twelve years was his comrade in sympathy, love and labor. In all the fields where she has lived in Illinois and Iowa there is left a host of friends who rise up to call her memory blessed.

Some years ago she took up the Chautauqua Literary and Scientific reading course, in which she not only completed the required four years' course, but also the red seal course of four years. She continued the special readings for several years, taking the special Bible and normal courses, winning in all twenty-three seals to her Chautauqua certificate. She was one of the founders of the Fortnightly Club at Washington, Iowa, and was its first president. For years she was an active member of the Woman's Home and Woman's Foreign Missionary Societies, and for some years was the recording secretary of the Iowa Conference Woman's Home Missionary Society. In memory of her only child, William Osman Caldwell, who died in early boyhood, she endowed a scholarship in Reid Christian College, at Lucknow, India. By special gifts she secured the erection of two memorial churches—one at Puyallup, Wash., and the other in Kansas.

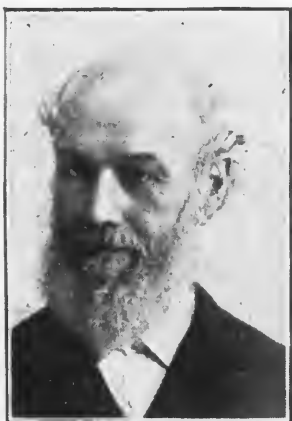

Mrs. Coxe was an intelligent, devoted Church woman—loyal without bigotry, of broad sympathies, keen vision, and rare devotion.

Some years ago she fell, causing an injury to the hip, unnoticed at the time, but which resulted in a slight lameness and steadily increasing pain. Until very recently the case was regarded as sciatic, for which treatment was taken without avail. A correct diagnosis pointed out the injury to the hip as the source of trouble. Dec. 5 she submitted to a surgical operation, which disclosed necrosis of the femur. She stood the operation well and prospects for a permanent recovery were bright, when on the 10th unfavorable symptoms appeared, and the decline was steady to the close. Knowing the possibilities of so ser-

ious an operation, she assured her husband and friends of entire readiness for death, if that should be the Father's will. During the closing hours, though the body was worn and exhausted with pain and the mind wandering, she would sing some of the hymns of the Church and pray for those she was leaving behind. Funeral services were conducted at Alton, Ill., by the Rev. M. H. Ewers. Besides her husband she leaves two sisters—Mrs. Rebecca Scarritt, wife of the Rev. J. A. Scarritt, of Cairo, Ill., and Mrs. Mary A. Corrington, of St. Louis.

REV. BANNER MARK.

Rev. Banner Mark was born in Ross county, Ohio, August 1, 1825. He was married to Lydia Ann Duke Sept. 11, 1849. He entered the ministry of the Methodist Episcopal church in the Ohio Conference in 1846, was ordained elder by Bishop Morris at the annual conference held in Chillicothe, Ohio, in 1850.

His appointments in the Ohio Conference were, from 1846 to 1860, Bainbridge, Baltimore, Johnstown, Franklinton, Derbyville, Royalton, Hebron, Elizabethtown, Alexandria, Logan and McArthur. In the fall of 1860 he transferred to the Iowa Conference, which met that year a week prior to his former Conference; and he tarried for its session, supposing that he had an arrangement by which a place would be left open for him in Iowa. But in this he was disappointed, and so he moved to Oskaloosa, Iowa, where his wife's parents resided, and remained there the rest of that conference year. But he was not idle. During the winter following a remarkable revival

broke out in the Oskaloosa church, in which in all it was estimated that 500 souls were reached, and he gave valuable assistance in that meeting, and elsewhere through the year, as opportunity opened. He was also fired with patriotic zeal, when the war began, in 1861, and kept close watch of all its movements, and especially of those of the Ohio and Iowa regiments, so that if anyone wanted information on the matters connected with the army appeal was commonly made to Bro. Mark.

From 1861 to 1871 he was stationed at Washington, Eddyville, Knoxville, Marengo, Exchange St. Keokuk, and Simpson Chapel Oskaloosa. In 1871-74 he was on the Newton District, and in 1874 on the Oskaloosa District, virtually the same field. In 1875 he was sent to Eddyville and Beacon. In 1876-79 he traveled the Ottumwa district. In 1880 he was supernumerary and from 1881 to 1884 he had charge of the Mt. Pleasant district.

That was his last effective work. In 1885 he took a supernumerary relation, and removed to Los Angeles, Cal. And from that time he held a non-effective relation to the conference.

His ministry was characterized by a deep interest in the general welfare of the church, but more especially in the church or district over which he was appointed. A man of strong physical endurance, he did much work in the early days of Ohio Methodism to build up the cause of God. Great revivals attended his ministry on every charge. As a presiding elder in the Iowa conference he knew the standing and condition of every preacher and church in the conference and did much to facilitate the work of the cabinet in making the appointments.

As a preacher Brother Mark was very earnest, and some of his sermons are remembered as awakening the entire district. For a number of years he was treasurer of the conference and was strong in his appeals in behalf of the benevolent enterprises of the church. Nor were his interests alone confined to the church. His ministry coming in the stormy days of the rebellion, he took a deep interest in state and national affairs. In his home town of Oskaloosa he generally knew how every prominent man in the county stood on the issues of the day.

In his home life Brother Mark was reserved and retiring. With the care of all the churches and preachers of his district in his heart, he was ever kind, faithful and devoted to his family.

So long as he was able to go about in Los Angeles he went from church to church and manifested something of his old-time love in the growth and prosperity of Methodism. One of his last privileges was attending the sessions of the general conference a year ago, in which he manifested a deep concern for the future administration of the church.

For a number of weeks his health had been gradually declining, when at last the feet which had carried him so many years and so many miles, gave way, and falling on the floor, he sustained a fracture of the hip from which he did not recover. After lingering a few days in the Deaconess hospital he passed peacefully to his reward, June 21st, 1905. To the very last of consciousness he expressed his unyielding faith in God and immortality.

The wife who has shared the struggles and triumphs of the itinerancy, and the manly, self-sacrificing son, Wilbur, who has cared for his father and mother during their declining years, are left to mourn, but sustained by the grace of God.

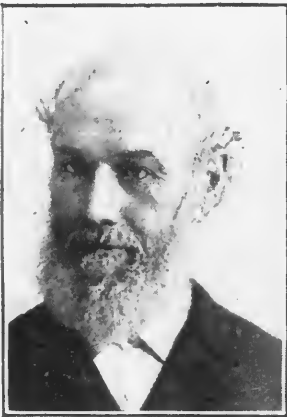

The funeral was held from the residence, 1113 West Temple Street, Los Angeles, Cal., Saturday, June 24th, 1905. Rev. C. R. Norton and Rev. C. V. Cowan, formerly of the Iowa Conference, had charge of the funeral services and were assisted by Rev. P. F. Bodkin, Rev. A. W. Bunker, Rev. C. J. Miller and Rev. E. H. Winans who served as pall bearers. Thus five of his Iowa Conference associates were present at the funeral.

The body was laid away in beautiful Rosedale cemetery to await the resurrection morn.

REV. E. J. PIKE.

Elias J. Pike was born at Lawrenceburg, Dearborn County, Ind., February 28th, 1846, and died November 3rd, 1904, at St. Luke's Hospital, Cedar Rapids, Iowa. Brother Pike came with his parents, at an early age, to Iowa, and his boyhood

days were spent in Eddyville, Wapello County. On July 7, 1862, he enlisted in the service of his country as a private in the 18th Regiment, Iowa Volunteer Infantry, and was mustered out as first lieutenant and adjutant July 20, 1865. Two years later, August 18, 1867, he was received into full connection with the Mount Moriah Methodist Episcopal church. He entered the ministry in the Iowa Conference in 1868, and was in active service up to the time of his death. The following is his pastoral record: Lebanon, Fairfield Circuit, Dodgeville, Blue Grass, Kossuth, Columbus City, Wayland, Birmingham, Selma, Fremont, Agency City, Sigourney and Williamsburg. He had entered upon his

seventh year in the latter charge at the time of his death. Brother Pike was united in marriage with Miss Catherine M. Ricketts, July 5, 1870. To this union were born ten children, Winifred May and James Merritt died in infancy, and Millicent Agnes, aged 18, passed away at Sigourney. His wife and seven children remain to mourn the loss of a beloved husband and father. The children now living are: Mary C. Scoles, wife of Rev. H. B. Scoles, of the Iowa Conference; Miss Bertha Pike, Mrs. Lucy Fassig of Columbus, Ohio, Lieutenant Emory J. Pike, of the United States Army; Miss Ethel Pike, Mont. Pike; and Miss Vida Pike. Two brothers, Mr. Merritt Pike and Mr. Mont. Pike of California, also survive him. On Thursday morning he expressed a desire to remain with the dear ones of earth, if it was his Father's will, but assured them of his readiness for the great change if it was at hand. He said: "There are so many changes in life; this change is nothing to one who is prepared and ready to go. It is the way of all the earth; our father

went before us, and we must follow in their train." Again he said: "Many seem to think I am nearing the borderland. If it is God's will that such should be the case, I have no fear; His grace is sufficient." On Saturday morning he said: "I am not yet with the thousands, but I soon shall be." The last recognition was of his life-long companion when, in a moment of consciousness, he called her by name. Brother Pike was a Christian gentleman. His beautiful, quiet, Christ-like spirit was manifest at all times; not only making his home-life beautiful, but captivating the hearts of all who knew him. With limited educational advantages, he became a well-read man. His mastery of the English tongue and of its great classics was unusually complete. He had a poetic temperament, and was keenly alive to beauty in nature and literature. He was as manly as he was modest; without self-seeking, generous, brotherly, sympathetic, lovable, ready with his word of praise for another's good work, and with never a word of unkind depreciation of anyone. His hold upon the love of the people is evidenced by the fact that his pastoral terms steadily lengthened to the end. He was "a good man, full of the Holy Ghost, and of faith," and is sincerely mourned by multitudes who loved him for his works and worth. The funeral services were held at Williamsburg on Friday, November 4, Rev. J. G. Barton was in charge, addresses being made by the writer and Rev. J. C. Kendrick; and at Sigourney, on Saturday, November 5, where Brother Kendrick again spoke briefly; the Rev. W. G. Thorn, presiding elder of the Muscatine district, making the principal address. The body was laid to rest in "God's Acre," by the side of the grave of his daughter, whose promotion came seven years before.
